Auxiliary Firefighter Charter

The Auxiliary Firefighter Charter was established on 6th May 2014.

The President of the Queensland Auxiliary Firefighters Association (QAFA); Commissioner of the Queensland Fire and Emergency Services (QFES); and the Honourable Minister for Police and Fire and Emergency Services, all signed the Charter "Agreeing to commit themselves to use and to apply this Charter in a spirit of mutual respect and goodwill, and to work together in that spirit to resolve any disputes that may arise in accordance with those key principles set down herein."

The Charter, as signed on 6th May 2014, is reproduced below.

Preamble

Auxiliary Firefighters provide a professional response to fire and other emergencies. There are currently 188 Auxiliary Fire stations, protecting communities throughout Queensland, with over 2000 active Auxiliary Firefighters. Auxiliary Firefighters are dedicated men and women who are paid, part-time firefighters located in communities across Queensland. In partnership with the community and QFES, they work to create a safer Queensland by providing a world class, professional Fire and Emergency Service, that is efficient and effective, servicing Queensland communities in the preservation of life, property and the environment.

The Auxiliary Firefighters provide their time, skills and training to protect lives and properties. They also actively promote fire prevention strategies and provide fire management and emergency response.

Auxiliary Firefighters attend structural and environmental fires, road crashes, chemical spills, and many other rescue scenarios. They also conduct building compliance inspections and community education activities and are active in disaster planning and community resilience.

Auxiliary Firefighters are on-call 24 hours a day, 7 days a week. Many have jobs within the community such as farmers, trades people, teachers, stay-at-home parents, truck drivers, nurses and factory or office workers. Auxiliary Firefighters receive accredited training, and make a real and worthwhile contribution to their local community. They carry a pager and respond when needed.

Auxiliary Firefighters are supported by their families, their primary employers and the communities they serve. They are motivated to serve by the results of their contribution, personal achievements and development, and the camaraderie of service.

This Auxiliary Firefighter charter is to be read in conjunction with the *Fire and Rescue Service Act 1990*, related legislation, relevant QFES policies and procedures, and the Queensland Public Service Code of Conduct. It is an agreement between QFES and the Auxiliary Firefighters and their representatives. Auxiliaries are fundamental to effective fire management and emergency response in Queensland, providing crucial services in Regional and Urban areas. The safety of Auxiliary Firefighters is, and will always be, paramount to the QFES. Their contribution and value in this role is acknowledged.

Auxiliary Firefighters' commitment to the protection of the Queensland community remains an integral part of the Government's response to our communities safety needs. Meeting the individual and collective interests and needs of Auxiliary Firefighters supports the safe and effective delivery of their services to the Queensland community. Consultation and engagement with them on issues that affect them as Auxiliary Firefighters, is an integral element of the relationship between the QFES, and the Auxiliary Firefighters.

The QFES Auxiliary Firefighter Charter

The Charter provides the framework for the relationship between the parties.

The relationship is informed by the following principles:
